

NIGHT CREAM COMBO SKIN

DESCRIPTION

Light hydration combined with oil-controlling agents for combination skin's night-time needs.

Combined with oil-controlling agents, this sheer conditioning emulsion provides light hydration to meet combination skin's night-time needs. Featuring a unique blend of skin conditioners, this formula smooths and softens the skin, enhancing both its texture and appearance, to revive and refresh oily skin overnight, by delivering the proper moisture control for a clean and supple complexion. Enriched with anti-ageing factors which minimise the signs of ageing, it revitalises the skin while you sleep so your complexion appears visibly rejuvenated and rested.

FEATURES & BENEFITS

- Revives oily skin, providing light hydration and keeping oily skin fresh and supple.
- Enriches skin with vitamins and antioxidants to sustain the appearance of skin's surface environment.
- Oily skin can also look tired and sallow at times; this reinvigorates sallow, tired looking skin, returning it to a youthful glow with important botanical extracts that improves the look of surface vitality.
- Lightly hydrates and protects the skin and helps preserve skin's resilient look.
- Sends the right moisture to oily skin; your complexion appears rejuvenated and rested while you sleep.
- Features an EU-allergen friendly fragrance blend.

NIGHT CREAM COMBO SKIN

KEY INGREDIENTS

- **Innovative synthesis of Silanetriol Lysinate and Helianthus Annuus (Sunflower) Seed Extract** – Sugars from our diet can negatively affect our skin complexion. Preserves the appearance of the skin overnight, leaving it looking less tired and sallow and improving vitality.
- **Vitamin E and B5** - Vitamin E is an antioxidant in the formula that helps moisturize and protect the skin, while vitamin B5 is a humectant and emollient that improves hydration.
- **Hydrolyzed Lecithin** - Smooths and softens the skin, enhancing both its texture and appearance.
- **Chestnut Seed Extract** - With antioxidant support in the formula, this extract calms skin, and promotes the appearance of firm surface texture.
- **Skin Conditioning Blend** - These emollients, including several derived from coconuts, berries, and other plant sources, provide extremely light moisture and offer oil controlling benefits while leaving skin feeling silky.
