

HAWAIIAN NONI

DESCRIPTION

Modere Hawaiian Noni harnesses the power of the noni fruit and a range of other fruit juices in a synergistic blend.

The noni fruit is grown in Hawaii's mineral-rich volcanic soils, and has been favored by the indigenous people for generations.

The noni fruit has long been associated with well-being in Hawaiian culture. It's no surprise, since we now know that noni juice is packed with polysaccharides.

Modere Hawaiian Noni contains 92% noni juice from Hawaii, with apple juice and a blend of other juice and vegetable concentrates added for sweetness. Combined with the other juices, the total juice content is 98%.

FEATURES & BENEFITS

- Synergistic blend of fruit juices harnesses all the goodness of the whole fruits in a condensed, easy to take format.
- Rich in polysaccharide content.
- Contains natural, protecting phytonutrients. These are the active pigments found in a range of fruits and vegetables.
- Micronized formula - the technology provides even distribution of the fruit particles and provides a smoother consistency and thicker formula.
- No artificial sweeteners, flavorings, or colourings.

HAWAIIAN NONI

KEY INGREDIENTS

- **Hawaiian noni (*Morinda citrifolia*)** – Hawaiian noni grows in virgin soil created from relatively young lava flows. Lava soils are rich in unique minerals and extremely low in the toxic heavy metals seen in other soils.
- **Carrot concentrate** – Crisp, sweet, and with a compelling richness of colour and flavour.
- **Radish concentrate** – The radish is actually the root of a plant related to mustard. The name radish comes from the Latin *radix*, meaning root. Combined with cherry and carrot juices, this adds colour and flavour to the product.
- **Cherry juice concentrate** – This fruit is naturally sweet and great tasting.
- **Blueberry** – Nature's powerhouse, containing several flavonoids.

INGREDIENTS

Pasteurised noni juice from concentrate (92%), apple juice concentrate, berry flavour, carrot concentrate, sweet purple potato concentrate, radish concentrate, cherry juice concentrate, acidity regulator: citric acid, blueberry concentrate.

FACTS

Directions

Shake well before use. After opening, refrigerate upright and consume within 30 days.

Size

500ml

Allergy Advice

Suitable for vegans and vegetarians.
Contains natural fruit sugar
