

# SHOWER GEL

## DESCRIPTION

Finally — a reason to be excited your alarm clock is blaring! You get to start your morning with an invigorating shower thanks to Modere Shower Gel. It's is the perfect complement to Modere Shampoo and Conditioner

This soap-free gel washes and softens skin as it removes dead skin cells. A blend of natural extracts such as pomegranate and cranberry, just to name a few combine with coconut derived surfactants to clean away dirt while moisturizing your skin. We dare say that this is the best thing you've invited to shower with you.

## FEATURES & BENEFITS

- Offers gentle cleansing.
- Does double duty — softens skin as it removes dead skin cells.
- An invigorating fragrance that will awaken your senses.
- Mild enough for everyday use.

# SHOWER GEL

---

## KEY INGREDIENTS

- **Cocamidopropyl Hydroxysultaine** derived from fatty acids of coconut oil is a mild surfactant which helps gently cleanse the skin.
- **Botanical extracts** - These conditioning botanicals leave you and your skin refreshed, invigorated, and awake!
- **Panthenol** - A derivative of vitamin B5 that conditions your skin.

---
