### Positioning Statement

Take your sport to the next level with the award-winning, patented science of Collagen/HA Matrix® Technology, BCAAs and L-carnitine plus 9 phytonutrient-rich superfoods all in a unique, fast-acting liquid delivery system. Joint discomfort can be a result of natural wear and tear of connective tissue where collagen and hyaluronic acid are essential. Liquid BioCell® replenishes these important substances and is clinically shown to work. Liquid BioCell® is so remarkable that it has been awarded 7 U.S. and international patents and multiple industry awards. It has been featured on NBC, Good Morning America and Fox News.\*

### Directions/Usage

Shake well before each serving. Drink 1 tablespoon twice daily for optimal results. Refrigerate after opening to maintain shelf life. Do not freeze. Store unopened container out of direct sunlight and at room temperature.

Liquid BioCell® Sport is NSF Certified for Sport®. This means that the formula, manufacturing process and facility have been cleared of over 150 banned substances. The NSF Certified for Sport Program is officially recognized by the NFL, NFLPA, MLB, MLBPA, PGA, LPGA, NCAA and CCES. That's why college and professional athletes can be confident using Liquid BioCell® Sport.
