MODERE LOGIQ™ WITH TETRABLEND™ COFFEE

Health & Wellness | Targeted Health

What is the origin of the coffee? Is it sustainably harvested? Is it fair trade?

- Modere Logiq™ uses Rainforest Alliance Certified coffee beans sourced from Colombia. The Rainforest Alliance promotes environmental responsibility, social equity, and economic viability for farm communities.

How much caffeine is in the product?

- Each serving of Modere Logiq contains about 120mg of caffeine.

Can I take Modere Logiq™ with TetraBlend™ Coffee more than once a day?

- You can take Modere Logiq multiple times a day. Consult with your doctor before use if you are taking medication and/or you have a medical condition. Limit the use of caffeine-containing medications, foods or beverages while taking this product because too much caffeine may cause nervousness, irritability, sleeplessness and, occasionally, rapid heartbeat.

I usually feel restless when I drink coffee, but I do not notice the same effect when I take Modere Logiq. Does this mean that it doesn't contain enough caffeine?

- Modere Logiq contains 120 mg of caffeine per serving, which is equal to 1 ¹/₃ cups of brewed coffee. It also contains L-theanine, an amino acid that works synergistically with caffeine to significantly increase alpha waves in the brain, related to mindfulness and a relaxed mental state without drowsiness.
