Modere Europe Perks: Terms and Conditions

Modere Europe Perks ("Modere Perks") is part of the Modere Europe Rewards programme ("Modere Rewards"), managed by Modere Europe BVBA, Telecomlaan 9, 1831 Diegem, Belgium ("Modere").

Modere perks are exclusively available to Customers of Modere who purchase Modere products. Discounted or free delivery and a birthday coupon are the Modere perks. Modere perks cannot be exchanged for cash.

Our products are allocated a point value. As you purchase those products you accumulate points. Some special promotions and discount coupons may negatively impact points accumulated in the order in which the promotions/coupons are redeemed.

Points are valid for 365 days from the date they are earned.

The most current programme details, such as the number of points required to earn Modere perks, are available on www.modere.eu. When you are logged into your account, this site also allows you to track your points balance.

Once you have achieved the required points for discounted or free delivery and you place a purchase order of at least €39 or £29, the discounted or free delivery will be automatically applied at check-out.

The birthday coupon is given to you on the date you have saved in your account as your date of birth. Modere will allow only one amendment to your date of birth in case of any error. You must contact us to amend your date of birth. To benefit from the birthday coupon you must satisfy the minimum points requirement for this perk and place an order of at least the value of the birthday coupon. The birthday coupon remains valid for 31 days and is automatically applied at checkout.

Refunds and the expiration of points will reduce your overall points balance and may impact the Modere perks awarded.

The terms and conditions relating to Modere Perks are in addition to and do not permanently supersede or modify in any way our General Terms and Conditions. Modere may revise the terms and conditions relating to Modere Perks without prior warning.
