POSITIONING STATEMENT
Poor nutrition can affect physical appearance, which is why our Beauty Nectar should be a part of your daily beauty routine. Each hydrating dose provides green tea-derived EGCG, and zinc for healthy skin and more.

This legendary tonic contains a blend of natural extracts that support antioxidant capacity. Green and white tea leaf extracts deliver bioflavonoids with antioxidant properties, while aloe vera leaf gel hydrates with polysaccharides. A variety of fruit juices, including pomegranate and acai, support antioxidant capacity while zinc supports the body’s ability to combat free radical damage while supporting the health of hair, skin, and nails.

Discover beauty from the inside out to feel revitalized, look your best and live clean.
