

MÖDERE[®] FACT SHEETS

FRESHSPACE

PRODUCT DESCRIPTION:

Modere FreshSpace eliminates odors on fabrics and in the air, leaving a light water lily scent.

PRODUCT BENEFITS:

- Eliminates odors on fabrics, hard surfaces, and in the air
- Works great on: clothing, car interiors, couches, garbage cans, bathrooms, kitchens, and more
- Safely eliminate odors without harsh chemicals like CFCs, phthalates, acetone and formaldehyde
- Water lily fragrance will bring life to any room and enhance your mood

POSITIONING STATEMENT:

Modere FreshSpace eliminates odors on fabrics and in the air and leaves a light fragrance. Instead of covering up odors, the formula destroys them. Formulated without dyes, CFCs, phthalates, acetone or formaldehyde, FreshSpace's unique formula leaves the air with a light scent of water lily. Modere FreshSpace is safer for you and your family.

The ingredients safely eliminate odors and replace them with the fresh scent of water lily. Use it around your home to freshen up kitchens, bathrooms, and garbage cans, or hard surfaces like counter tops, even use it on fabrics like couches, shirts, and shoes.

DIRECTIONS/USAGE:

Hold upright and spray in a sweeping motion throughout the entire room or spray directly on clothing and surfaces to effectively eliminate odor.
